## 6080RR\*\*

### NEW The Next Yield Leader

6080 RR is our newest Genuity® Roundup Ready® canola variety. In 2014 trials 6080 RR showed all the yield potential of 6074 RR with approximately one day earlier maturity. It is a compact plant with our trademark excellent harvestability. Achieving a yield of 108% of checks in the 2014 Private Co-op trials and 116% of checks in the long season zone, 6080 RR is well adapted to the mid to long season zones. Be sure to visit the website this fall for complete trial results.

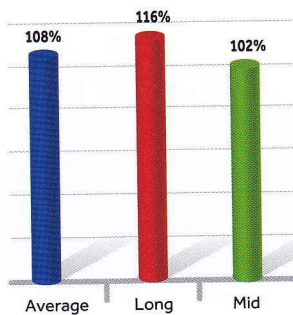

## 6074RR

### NEW The New Yield Leader

6074 RR is the first of the next wave of high-yielding canola varieties from BrettYoung. 6074 RR was the highest yielding Genuity® Roundup Ready® variety in all season zones in the 2014 Canola Performance Trials (CPTs<sup>2</sup>) (overall average of 109%). In the 2014 BrettYoung Comparison Trials (BCTs<sup>3</sup>) 6074 RR yielded on average 104% of the check. This variety performed well in all zones last year, but it is ideally suited for the mid and long season zones.
